Volvo is consistently seeking ways to improve the specification, design and production of its vehicles and alterations are continually taking place. While every effort is made to produce up-to-date literature, this leaflet should not be regarded as an infallible guide to current prices, specifications and options, nor does it constitute an offer for the sales of any particular vehicle.

All prices, specification and options are relevant for vehicle production at the time of printing. All prices are in New Zealand dollars and include GST but exclude on road and set up costs. Scandinavian Vehicle Distributors Ltd reserves the right to make changes to specification/options at any time without notice.
