Volvo Car Ireland Limited
www.volvocars.ie

The Volvo XC70 range at a glance.

ES

The ES interior boasts electronic climate control, passenger airbag cut-off switch and aluminium trim. Then there's the 6 speaker performance audio system with 80W output and features such as cruise control and DSTC (Dynamic Stability Traction Control). On the outside, 16" alloy wheels, roof rails and tough XC body cladding and mouldings make sure your presence doesn't go unnoticed, on or off road.

SE

The SE aims to spoil. Its luxurious interior boasts supportive leather-faced seats, an 8 speaker high performance audio system with 160W output, automatic rain sensor, Blutooth® handsfree system and rear park assist. On the outside, 17" alloy wheels, roof rails and a power operated tailgate complete the SE package.

SE LUX

The SE Lux model is the ultimate word in luxury, with power driver seat and power folding rear headrests further enhancing the interior. Integrated satellite navigation system (including two free annual map updates), active bending xenon lights, headlight cleaning and 18" Alloy Wheels offer both style and protection.

(i) For best performance and lowest fuel consumption 98 RON is recommended, 95 RON can be used for normal driving.

(ii) The results do not express or imply any guarantee of the fuel consumption of a particular car.

(iii) Official fuel consumption figures are obtained in accordance with Directive 93/116/EC as amended by 1999/100/EC. The figures are obtained under controlled test conditions and as such consumption achieved on the road will not necessarily accord with the o

(iv) Unbraked towing weight must not exceed 50% of kerb weight up to a maximum of 750 kg.

(v) All diesel models are fitted with a particulate filter.

Notes

The weight of the vehicle will influence the level of CO2 emitted and as a result, vehicles with higher levels of specification and factory fit options may emit higher levels of CO2. However, vehicle tax is paid according to the weight and CO2 emissions of the standard vehicle, as published in this price list.

A weighbridge must be used to determine specific weights. Data valid for manual transmission unless specified.

Auto = Geartronic Automatic Transmission

The maximum power output figures are quoted in PS (Pferdestärke), which is the metric equivalent of brake horsepower.

Some of the information in this price list may not be correct due to product changes which may have occurred since it was printed. Some of the equipment described or shown may now be available only at extra cost. Before ordering, please ask your Volvo dealer for the latest information. The manufacturer reserves the right to make changes at any time, without notice, to price, colour, materials, specifications and models.
