S80

TRUE LUXURY STARTS HERE

If you believe luxury is not an indulgence but a necessity, Volvo S80 is the car for you. It promises personalised comfort in every detail. This Scandinavian beauty balances ingenuity with simplicity, comfort with functionality and strength with smooth dimensions. Equipped with the latest D3 engine, the Volvo S80 has been designed around you to deliver 163 horsepower with impressive efficiency.

D3 Turbo Diesel
163 HP
400 Nm

Active Bending Lights (ABL)

Dynamic Stability Traction Control (DSTC)

Whiplash Protection System (WHIPS)

SPAS, MEDITATION CENTRES AND NOW AN EVEN BETTER WAY TO RELAX

Inspired by Scandinavian landscapes, the Volvo S80 is a haven of comfort. The plush leather seats are ergonomically designed with deep contours and full wide bolsters to provide generous support during long drives. The user friendly Volvo Sensus gives complete infotainment control at your fingertips. If you want to enjoy a pleasant and allergy free ride, the Volvo S80 supports you with its Electronic Climate Control and Interior Air Quality System.

BEAUTY THAT EVEN APPEALS TO THE SIXTH SENSE

The Volvo S80 is a masterpiece of design and intelligence. Its Laser Assisted Automatic Braking - City Safety technology is especially a boon for driving on Indian roads. This intuitive technology automatically engages the brakes if the driver fails to react in time to prevent a crash. The Volvo S80 comes with all-round protection to make your driving experience safer and more comfortable. Safety features like Whiplash Protection System, Side Impact Protection System, Dynamic Stability Traction Control, Emergency Brake Assist, Active Bending Lights make it one of the safest cars in the world.
