## The Volvo XC70 range at a glance.

### SE

Beyond the innovative City Safety technology, the SE model brings added luxury with leather-faced upholstery and an 8 speaker high performance audio system with 160W output and features such as automatic rain sensor, autodimming rear view mirror and Bluetooth handsfree system. On the outside, distinctive 17" Valder alloy wheels along with rear park assist and retractable rear view mirrors and a power operated tailgate enhance the exterior style.

### SE LUX

The SE Lux model is the ultimate word in luxury, with a power driver seat and power folding rear headrests further enhancing the interior as well as the integrated satellite navigation system (including two free annual map updates). For the exterior, active bending xenon lights and headlight cleaning offer both style and protection, along with 18" Zephyrus wheels to complete the visual enhancements

### NAV

All Nav models include a fully integrated satellite navigation system with voice activated control, high performance multimedia audio player, bluetooth, a 7" colour display screen and DVD player. As well as full European mapping, two complimentary annual map updates are included (register at [www.navigation.com/volvomapcare](http://www.navigation.com/volvomapcare)).

### On the road.

How much will it cost to get behind the wheel of your own Volvo XC70? Simply decide which model variant and engine type are right for you and then take a look at the full price list.

INSURANCE RATINGS	Insurance ratings may vary depending on model line and specification. For details, please refer to: <a href="http://www.thatcham.org/abigrouprating">www.thatcham.org/abigrouprating</a>
-------------------	--

- (i) For best performance and lowest fuel consumption 98 RON is recommended, 95 RON can be used for normal driving.
- (ii) The results do not express or imply any guarantee of the fuel consumption of a particular car.
- (iii) Official fuel consumption figures are obtained in accordance with Directive 93/116/EC as amended by 1999/100/EC. The figures are obtained under controlled test conditions and as such consumption achieved on the road will not necessarily accord with the official test results. Factors including driving styles and road, car and weather conditions will also have a bearing on actual fuel consumption achieved.
- (iv) Unbraked towing weight must not exceed 50% of kerb weight up to a maximum of 750 kg.
- (v) All diesel models are fitted with a particulate filter.

Notes  
The weight of the vehicle will influence the level of CO<sub>2</sub> emitted and as a result, vehicles with higher levels of specification and factory fit options may emit higher levels of CO<sub>2</sub>. However, vehicle tax is paid according to the weight and CO<sub>2</sub> emissions of the standard vehicle, as published in this price list.  
A weighbridge must be used to determine specific weights. Data valid for manual transmission unless specified.  
Auto = Geartronic Automatic Transmission

Some of the information in this price list may not be correct due to product changes which may have occurred since it was printed. Some of the equipment described or shown may now be available only at extra cost. Before ordering, please ask your Volvo dealer for the latest information. The manufacturer reserves the right to make changes at any time, without notice, to prices, colour, materials, specifications and models. Volvo Car UK Limited, Globe Park, Marlow, Buckinghamshire, SL7 1YQ.
