DESIGN INTERIOR

Stay focused

Head-up display allows you to watch your speed, follow turn-by-turn navigation, and more. All without losing focus on the road.

The brightness of the head-up display adapts automatically to the light conditions, and you can set the system to suit your own personal preferences.

Cleaner cabin air

The advanced air purifier in our air quality system prevents up to 95 per cent of hazardous PM 2.5 particles entering the cabin. This can help you and your passengers enjoy better and healthier air quality, no matter the conditions outside. You can even monitor particle and pollen levels outside the car.

Bowers & Wilkins high-fidelity audio system

Designed for those who seek excellence in sound performance. This 1,400W high-end optional audio system brings exceptional clarity and realism to your music, optimising detail and resolution and letting you hear a song as the artist originally intended.

Technical Specifications

ENGINE	T8 AWD Plug-in hybrid
Transmission	Auto
Cylinders	4
Engine capacity, cc	1969
Max. output ECE, hp/kw/rpm	462/228/6000
Max. torque ECE, Nm/rpm	709/3000-4800
Electric Max. output ECE, hp/kw/rpm	145/107/15900
Petrol Max. torque ECE, Nm/rpm	309/3280
Fuel	Petrol
Fuel tank volume, litres (gallons)	76 (15.6)
AdBlue tank volume, liters (gallons)	n/a
Emission level	Euro 6d
PERFORMANCE	
Top speed, mph	180
Acceleration 0-60 mph, sec	4.6
0-62 mph (0-100 km/h), sec	4.8
ELECTRIC	
Battery Size – nominal / usable, kWh	18.8 / 14.9
Charging Time – AC 10amp / 16amp 0-100%, hours	8 / 5
